ANALYSIS:

The selection of the recommended streets is based on the City's PMS report, budget availability, as well as field investigation and the general condition of the streets. The 2021/22 Pavement Rehabilitation Project will include but not limited to grind and overlay, slurry seal and ADA ramps. Plan and specification and construction bid documents have been finalized and project is ready to be advertised for construction bids.

The proposed project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15302(c).

Therefore, staff recommends that the City Council adopt the attached Resolution.
