ANALYSIS:

The week of May 12 – 16, 2025, is recognized annually as National Transportation Week (NTW). NTW allows us to join together to increase our awareness and appreciation of the transportation industry. It is also a time when we celebrate the community of transportation professionals who keep our country moving.

I encourage everyone to take a moment and thank all transit workers for their hard work and dedication.

ALTERNATIVES:

1. Approve recommendation.
2. Reject staff recommendation.
3. Provide staff with further direction.

In honor of NTW, staff shall celebrate each day of the workweek with a unique theme, with the crescendo being a food truck lunch. This activity may be carried out without additional impact on the current operating budget and can be paid out of the transportation account 57-8330-60010. The total cost shall not exceed \$4,000.

RELATIONSHIP TO STRATEGIC GOALS:

This Agenda item relates to the 2016 Strategic Plan—Guiding Principle #2: "Foster a positive environment that continuously seeks to improve service and organizational responsiveness

to internal and external customers," as this action provides an opportunity for the City to join together to increase its awareness and appreciation of the transportation industry.
