Certificate of Recognition**

**Presented to
The Lizárraga Family, *TELACU***

In appreciation of the many families who have helped shape the history of the City of Commerce, the City Council proudly recognizes and honors the Lizárraga Family for their enduring legacy and impactful contributions to our community.

For generations, the Lizárraga Family has played a foundational role in the growth and development of our City. Through your faithful leadership of TELACU—our nation’s largest and oldest Community Development Corporation—you have worked tirelessly to improve the quality of life in underserved communities. Your efforts have strengthened the roots of our region by creating job opportunities, developing quality housing, supporting local businesses, and expanding educational pathways for students and veterans.

TELACU has not only sown the seeds of growth, stability, and empowerment within Commerce, but has also cultivated an environment where these values can thrive for generations—much like the historic tree dedicated in your honor, the Oldest Living Tree in Commerce.

On behalf of the Commerce City Council, we extend our heartfelt gratitude for your continued service, steadfast partnership, and unwavering commitment to building a brighter future for all.
