

**City of Commerce
Certificate of Recognition**

Presented to
Stevens Steak & Seafood House
5332 Stevens Place, Commerce, CA 90040

In recognition of your longstanding presence as a pillar of the City of Commerce since 1952, bringing people together through exceptional hospitality, intergenerational connection, and cultural enrichment. For more than seven decades, your establishment has stood as a beloved gathering place where traditions are honored, and community spirit thrives.

Most recently featured in the *Los Angeles Times* as “SoCal’s hottest salsa dancing hub,” Steven’s Steak & Seafood House continues to inspire a renewed era of enthusiasm for Latin music and salsa dancing—celebrating culture, movement, and the joy of shared experiences.

On behalf of the City of Commerce City Council, we extend our heartfelt gratitude for preserving not only a restaurant, but a home for tradition, community celebration, and appreciation for dance and culture.
