COMMENDS

BLANCA
ZENDEJAS

For being actively involved in the Commerce-Aguascalientes Sister Cities Association and proudly serving as a President of Commerce Sister City's Association for over 35 years. You have been promoting cultural understanding, mutual respect, and friendship between Commerce and the Aguascalientes communities. It takes a lot of dedication, hard work, and passion to make these relationships successful, and you deserve recognition and praise. Beyond your significant contributions to the Commerce-Aguascalientes Sister Cities Association, your dedication to the City of Commerce itself is equally commendable. As a resident for over 62 years, you have wholeheartedly given back to the community in numerous ways. Your selfless service includes operating an income tax business from your home, providing valuable assistance to fellow residents with their tax filings. You have served as a Community Services Commissioner for two years, actively participated in the Lions Club, and remained a dedicated member of the Democratic Club of the City of Commerce for an impressive 42 years.

Thank you for your dedication and commitment to promoting international friendship and understanding through sister-city relationships. Your hard work and contribution are greatly appreciated, and you serve as an inspiration to us all.
