The Honorable Ing. Juan Antonio Martin del Campo  
Presidente Municipal de Aguascalientes  
Plaza de la Patria S/N  
Zona Centro C.P. 20000  
Aguascalientes, Ags., Mexico

Dear Presidente Martin del Campo:

On behalf of the Commerce City Council, I am writing to request your involvement and cooperation in a proposed goodwill program brought forth by Councilmember Oralia Rebollo during the July 5th City of Commerce City Council meeting.

As you know, the bond that our two cities share is one of love, respect and understanding. And it is through this spirit of camaraderie and friendship that we graciously request that you consider hosting three (3) Commerce student ambassadors to partake in your City's Anniversary festivities, alongside our Commerce delegation this October.

The purpose of this program would be to expose our young ambassadors to different experiences and different parts of the world. We believe this could be a unique opportunity for our local students to see firsthand all of the wonderful community contributions that the City and the Commerce Sister City Association have made to Aguascalientes over the course of our Sister City relationship.

It is our hope that the City of Aguascalientes would consider hosting three (3) Commerce student ambassadors in October.

Thank you and we look forward to your response.

Respectfully,

Ivan Altamirano  
Mayor  
City of Commerce
