RE: Certificate of Recognition for Wastewater Discharge Compliance

Dear :

On behalf of the Commerce City Council and the Commerce Community, I would like to recognize your business as a Good Corporate Citizen for the 2015 calendar year for compliance with the Sanitation Districts of Los Angeles County's Wastewater Discharge Permit requirements. As a community of residents that co-exists with industry, the City of Commerce appreciates businesses dedicated to meeting their wastewater discharge limits, maintaining their environmental equipment and fulfilling all permit requirements. The Council acknowledges your efforts to foster good working relationships and cooperation with the community, the City government and the County Sanitation District and a shared concern for the environment and responsible business practices. We look forward to continuing to work together to protect public health and the environment with Best Management Practices and regulatory compliance. Thank you.

Sincerely,

Ivan Altamirano
Mayor
