

## CITY OF COMMERCE AGENDA REPORT

**TO:** Honorable City Council

**FROM:** City Administrator

**SUBJECT:** Appointment of Interim City Administrator to Oversight Board;  
appointments to other Boards and Committees

**MEETING DATE:** February 21, 2017

---

### **RECOMMENDATION:**

Appoint Interim City Manager Matt Rodriguez to Oversight Board, Southeast Water Coalition Joint Powers Authority, Commerce Refuse-To-Energy Authority, L.A. Gateway Region Integrated Regional Water Management Joint Powers Authority, and the I-5 Consortium Cities Joint Power Authority.

### **ANALYSIS:**

In accordance with the Health & Safety Code, Section 34179, the Mayor must appoint one member of the Oversight Board to a City's respective successor agency to its former redevelopment agency; here, the Oversight Board of the Successor Agency to the Commerce Community Development Commission. Current City Administrator Jorge Rifa is the currently appointed member. City Administrator Rifa recommends that the Mayor appoint Interim City Administrator to the Oversight Board as his replacement.

Currently City Administrator Jorge Rifa is also the appointee of the following Boards and Committees:

The I-5 Consortium Cities Joint Powers Authority	Administrative Entity Member
L.A. Gateway Region Integrated Regional Water Management Joint Powers Authority	Board Member
Commerce Refuse-To-Energy Authority (CREA)	Board Member
Southeast Water Coalition Joint Powers Authority	Admin. Entity Member

These positions must also be filled.

**FISCAL IMPACT:**

This activity can be carried out without additional impact on the current operating budget.
