

RESOLUTION NO. 17-_____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMMERCE,
CALIFORNIA, APPROVING THE UPDATED CITYWIDE TRAFFIC SPEED
SURVEY (2016)**

WHEREAS, the current engineering and traffic study (E&TS) or speed study was approved by the City Council on November 18, 2008; and

WHEREAS, per California Vehicle Code (CVC) section 40802, in order for posted speed limits to be enforceable, an E&TS needs to be updated every seven (7) years but can be extended to ten (10) years when a registered engineer determines that no significant changes in roadway or traffic conditions have occurred; and

WHEREAS, pursuant to CVC section 40802, the Director of Public Works and Development Services, who is a registered engineer, made the determination that there was no significant change in roadway or traffic conditions along the applicable roadways, and thereby extended the update interval of the speed survey; and

WHEREAS, Public Works staff has concluded that an update or revision to the E&TS or speed survey is warranted per CVC sections 22357 and 40802; and

WHEREAS, a revised E&TS or speed survey was commissioned that conforms to the requirements set forth by CVC section 22357; and

WHEREAS, the complete E&TS or speed survey was finalized on December 2016 and approved by the Traffic Commission on January 11, 2017.

NOW, THEREFORE, THE CITY COUNCIL DOES HEREBY RESOLVE,
DECLARE AND DETERMINE AS FOLLOWS:

Section 1. The finalized E&TS known as the Citywide Traffic Speed Survey 2016, is hereby approved.

PASSED, APPROVED AND ADOPTED this 21st day of March, 2017.
