

RESOLUTION NO. 17-89

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COMMERCE,
CALIFORNIA, APPROVING CONTRACT DOCUMENTS AND AUTHORIZATION
TO ADVERTISE THE CONSTRUCTION BID PACKAGE FOR THE PAVEMENT
REHABILITATION PROGRAM FY 2016-17**

WHEREAS, on June 21, 2016, the City Council approved the City of Commerce Fiscal year 2016-17 Capital Improvement Program (CIP), which included approval of the Annual Street Rehabilitation Program ("Project"), in the amount of \$2,500,000; and

WHEREAS, the Project will provide for the pavement rehabilitation of selected streets throughout the City. Street selection was based on the recommendations identified within the City's Pavement Management System (PMS); and

WHEREAS, after receiving results from the PMS, staff began evaluating paving alternatives, which include Mill and Overlay, Full Depth Reclamation, Full Depth Removal and Reconstruction. These options range from least to most expensive, respectively. However, the durability of each option corresponds to the cost, such that the more costly options yield the most durable asphalt. Staff currently recommendation using a combination of the asphaltting techniques based on the condition and traffic index for each street; and

WHEREAS, staff seeks to have the Council approve the plans and specifications for Pavement Rehabilitation Program FY 2016-17 and authorize staff to advertise the project for bid. Staff will then come back to the Council with the bid results and request direction that may include the allocation of additional funding, reduction of the work limits and streets included in the project scope, and/or modification of the pavement rehabilitation strategies proposed for the project at the Council's discretion.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMMERCE DOES HEREBY RESOLVE, DECLARE AND DETERMINE AS FOLLOWS:
