

Public Safety & Community Services

AED's	50,000	AA	Replace all 20 units throughout City + add 2 new for excursion buses
Shelter Bins	60,000	AA	All existing contents must be replaced, other items need to be purchased USAR Team conducted inventory of all 4 shelter bins located at different parks and found that items are rotted, expired, or damaged.
Hazardous Mitigation Plan	50,000	AA	City is not in compliance. The Hazardous Mitigation & Emergency Operations Plan must be submitted every 5 years with the State & FEMA, in order to receive any State/Federal reimbursements following a disaster.
Singlewire	16,000	AA	The system allows our internal phones & computers to be used as an "immediate" intercom system for emergency group notifications or to be used as an internal silent alarm for counter staff.
