Fitzgerald Avenue (Rosini) Community Survey

NAME:

ADDRESS:

PHONE:

E-MAIL:

The purpose of this community survey is to gather the opinions and sentiments of the residents who reside along and within the vicinity of Fitzgerald Avenue (in the Rosini neighborhood) along the bordering streets of Stevens Place, Atlantic Boulevard, Harbor Street, and Eastern Avenue. The following are some of the possible community enhancements that *could* be implemented, and the City would like for you to share your thoughts. Only ONE survey response is to be submitted per household. *Upon completion of this survey, please return it to the survey taker or if you desire additional time to discuss with members of your household, you may later return it to Commerce Civic Center, Community Services and Public Safety Department, 2535 Commerce Way, Commerce, CA 90040 by May 10, 2018.*

Please select any of the following suggested remedies or mitigation measures:

- ☐ Maintain “as is” (No changes to be made – Satisfied with how things are now)
- ☐ Install signs (ex., Resident Parking Only) and increase enforcement
- ☐ Install a partition (ex., fence) across Fitzgerald Avenue
(see reverse for concept rendering, i.e., picture)
- ☐ Implement permit parking program (may require residents to pay permit parking fees)
- ☐ Implement driveway permit parking program (permit to park in front of your residential driveway) during the busiest nights on Wednesdays and Sundays
[may require residents to pay permit parking fees] (see reverse for diagram)
- ☐ Other action (please specify):

CONCEPT RENDERING
PARTITION (FENCE) ACROSS FITZGERALD AVENUE NEAR ALLEY

Looking northbound on Fitzgerald Avenue

The purpose of the fence is to prevent patrons from entering into the residential areas during peak business hours.
