Re: Street Sweeping Services Agreement – Contract Extension

Dear Mr. Cisneros:

Nationwide Environmental Services (NES) is proud to be contracted with the City of Commerce. We are committed to providing the City with the most professional and reliable street sweeping services available in the industry.

Per the Street Sweeping Services Agreement, Section 2, Term, NES would like for the City to exercise its option to extend its Agreement which expires on September 30, 2019 for a five (5) year term. NES would also request that the City amend the Agreement and include an additional "Optional Extension Period #2" for an additional five (5) year period after the expiration of the extended term which gives both the City and/or NES the right to exercise the Optional Extension Period #2 for an additional five (5) year term.

As always, NES will continue to provide high quality services utilizing state-of-the-art equipment with a dedicated staff to ensure a clean, healthy and safe environment. If you have any questions, please feel free to contact me at (562) 860-0604.

Sincerely,
