Chief Engineer and General Manager

Dear City Manager/City Administrator:

### Solid Waste Management Facilities Rates

This is to advise you of new municipal solid and inert waste (MSW) rates to be charged at the Puente Hills Materials Recovery Facility (MRF), the Downey Area Recycling and Transfer (DART) Facility, and the South Gate Transfer Station effective July 1, 2018. The Sanitation Districts boards were briefed in April and the Board of Sanitation District No. 2, the administrative district, adopted a revised rate ordinance on May 23, 2018.

The MSW rate at the Puente Hills MRF will increase from \$58.40 per ton to \$61.40 per ton. The MSW rate at the DART Facility will increase from \$62.49 per ton to \$65.49 per ton. The MSW rate at the SGTS will increase from \$63.16 per ton to \$66.16 per ton. Similar changes to the rates for hard-to-handle, bulky items, minimum load charges and pull-offs will also be implemented at the various sites.

The proposed ordinance does not cover the Scholl Canyon Landfill and the Calabasas Landfill (CALF) for which the Districts act only as the operator. The MSW rate at Scholl Canyon Landfill will remain unchanged at \$53.83 per ton. The MSW rate at the CALF is set by the Board of Supervisors of the County of Los Angeles based on a recommendation by the Sanitation Districts. The Districts have recommended that the CALF MSW rate remain unchanged at \$52.32 per ton.

A copy of the new rate schedule is enclosed. If you have any questions regarding the rates, please call Susan Bremser at (562) 908-4288, extension 2759.

Very truly yours,

Charles E. Boehmke  
Department Head  
Solid Waste Management Department
