Application for On-Street Physically Challenged Accessible Parking Space (Blue Curb)

Please answer the following questions to help us determine feasibility of your request:

1. Can your driveway be used for access by the physically challenged person's vehicle?

☐ Yes

☒ No

If not, why?

*difficult getting out of car open gate
that is too heavy then to get back in car.*

2. Is there an existing on-street physically challenged accessible parking space in close proximity that you can use? If so, where is it located?

☐ Yes

☒ No

If so, please give location:

Address

3. Is there any other information you would like to provide?

*I have Severe Arthritis which makes it difficult to
get in & out of car and limited on distance I can walk.*

NOTE: The neighbors around the applicant must be notified that a new blue curb may be placed at the applicant's residence. Please have five (5) of the applicant's neighbors fill out the attached petition. If the applicant lives in an area where there are less than 5 neighbors, please note that on the petition.

IMPORTANT: All the neighbors filling out the petition must live in the same block as the applicant.

I certify that the answers to the questions contained in this Application Form are true and correct to the best of my knowledge and that I have read and understand the Policies and Procedures for On-Street Physically Challenged Accessible Parking Spaces.

An on-street physically challenged accessible parking space is available for use by anyone possessing a valid Disabled Person's placard and/or Disabled Person's license plate issued by the California Department of Motor Vehicles (DMV), and is not a reserved parking space for the applicant.
