Project's Name: 6 New Receptacle Additions/ 1 J-box for Control Panel

Project's Address: City of Commerce Veterans Park

Date of Bid: 2/12/2019

Dear Chidi Ugwueze,

Included in the proposal are the Following:

- Six (6) dedicated 120 volt 20 amp circuits. (home runs)
- Termination to a factor connection (end point or j-box)
- Installation of control line wiring to a central manual switch box as an override feature.

This is power for the new basketball hoops that are to be installed (basketball hoops to be installed by others). Our Price is \$2,650 for this work.

Sincerely

Mahyar Farhadi
