**WHEREAS**, Owner presently intends to develop and open a commercial cannabis business on the Site consistent with all applicable local and State of California laws, regulations and policies, (known as the "Project");

**WHEREAS**, the City has given public notice of its intention to adopt this Development Agreement and has conducted a public hearing thereon pursuant to California Government Code §65867;

**WHEREAS**, the Planning Commission first considered the provisions of the Development Agreement at a duly noticed public hearing on January 30, 2019 wherein all interested parties were given an opportunity to be heard regarding the Agreement, and recommended approval and adoption of the Development Agreement to the City Council, pursuant to an adopted Resolution, which is incorporated herein by this reference;

**WHEREAS**, after January 30, 2019, Owner submitted supplemental application materials to the City proposing to amend the Development Agreement previously recommended for approval by the Planning Commission to add and include a distribution license to its proposed commercial cannabis manufacturing, cultivation and non-storefront retail delivery facility. Said amended Agreement was reviewed and considered by the Planning Commission at a duly noticed hearing on April 24, 2019. The Planning Commission reviewed, considered and recommended a denial of the addition of distribution activities;

**WHEREAS**, Sections 65864-65859.5 of the California Government Code authorize the City to enter into development agreements and requires the planning agency of the City to find the proposed Development Agreement to be consistent with the policies and programs of the General Plan and any applicable specific plan. Government Code Section 65865 authorizes the City to enter into development agreements with any person having a legal or equitable interest in real property, which interest Owner has in the Site, as evidenced by the information

within the Development Agreement, and attachments thereto; and

**WHEREAS**, after conducting a duly noticed hearing on April 30, 2019, in conjunction with the City's applicable ordinances and resolutions, and after independent review, consideration, analysis of staff's recommendations, oral and written testimony, and the record as a whole, the City Council approved the execution of this Development Agreement for a commercial cannabis facility to include manufacturing, cultivation, non-storefront retail delivery and distribution of cannabis, and made findings after due study, deliberation, and public hearing, the City Council found the Project: consistent with the goals, objectives, policies, general land uses and programs specified in the General Plan and any applicable special plan; compatible with the uses authorized in the City's standards, codes, and zoning laws; in conformity with the public necessity, public convenience, general welfare and good land use practices; in accordance with the Development Agreement Statutes, including Government Code Section 65864 through 65869.5; will not be detrimental to the health, safety and general welfare of the City; will not adversely affect the orderly development of property or the preservation of property values; will have a positive fiscal impact on the City; and is in the best interest of the City of Commerce and its residents;

**WHEREAS**, the City has given public notice of its intention to adopt this Development Agreement and has conducted a public hearing thereon pursuant to California Government Code §65867; specifically, pursuant to California Government Code Sections 65867 and 65090, the City of Commerce, on April 19, 2019, published legal notice in the Los Cerritos News of City Council's consideration of this proposed Development Agreement and mailed out notice to property owners located within 500 feet of the Site, indicating the public hearing to be held by the City of Commerce City of Council on April 30, 2019;

**WHEREAS**, all other legal prerequisites to the approval and adoption of this Ordinance approving and adopting this Development Agreement have occurred.

**NOW, THEREFORE, the City Council of the City of Commerce does ORDAIN as follows:**

**SECTION 1: RECITALS.** That based upon staff reports, presentations, public testimony, and all other matters presented during the public hearing on this item, the City Council hereby finds and declares that the foregoing recitals are true and correct and incorporates them herein as findings and as a substantive part of this Ordinance.

**SECTION 2: ADDITIONAL FINDINGS.** Pursuant to the Government Section Code 65864 through 65869.5 and in light of the record before it including the staff report (and all attachments), and all evidence and testimony heard at the public hearing for this item, and in light of all evidence and testimony provided in connection with this Project, the City Council makes the following FINDINGS pertaining to the Development Agreement as related to the proposed disposition of the Site for purposes of the Project:

**FINDING 1:** The proposed Development Agreement is consistent with the goals and policies of the General Plan, its purposes and applicable Specific Plan(s).

**Evidence:** The proposed use is consistent with the objectives, policies, general, uses, and programs of the Commerce General Plan. This project is consistent with the General Plan in that it contributes to help establish an orderly pattern of development, economic development, and a wide range of activities. The project will also improve an existing building that has been underutilized. It will improve upon that use and help compliment the general vicinity. As determined by staff, the use will promote the

improvement of a location where reinvestment and revitalization is needed. Furthermore, the project will provide needed economic development to the community.

**Evidence:** The proposed use is one compatible and consistent within the subject zone and complies with the intent of all applicable provisions of this Title 19.

**Evidence:** The proposed use would not impair the integrity and character of the zone in which it is to be located. As proposed, the use will be complimentary to other uses in the immediate vicinity. As such, the proposed use will not impair the integrity of the area or its character. Appropriate conditions of approval have also been crafted in order to ensure the use operates in a manner so as not to impact the area in which it is located.

**Evidence:** The subject site is physically suitable for the type of land use being proposed. All proposals to accommodate the commercial cannabis use will occur within the existing footprint of the building.

**Evidence:** The proposed use would not be detrimental to the public interest, health, safety, convenience, or welfare. The proposed operation of the use will be conditioned to comply with all the applicable standards of the Zoning Ordinance, and with the conditions of approval, the project will not adversely impact the general welfare of the City. To the contrary, the proposed use will be complimentary to the existing operations currently occurring in the general vicinity and operated by the ownership group. Further, the proposed use will be maintained in a safe and efficient manner in accordance with the imposed conditions. The conditions imposed will serve the public interest, health, safety, convenience, and welfare. Therefore, the proposed use would not be detrimental to the public interest, health, safety, convenience, or welfare.

**FINDING 2.** All procedures of the California Environmental Quality Act ("CEQA"), California Public Resources Code §21000 et seq., and the CEQA guidelines, title 14 of the California Code of Regulations, chapter 3, §15000 et seq. have been satisfied and the City Council has found that the proposed Project is Categorically Exempt from California Environmental Quality Act (CEQA) requirements under provisions of CEQA Guidelines Section 15301 – Existing Facilities. This exemption applies to projects characterized as alterations to existing facilities meeting the conditions described in Section 15301;

**Evidence:** After a thorough examination of the Project application for the proposed Project and proposed Site, including, but not limited to, standard operating procedures ("SOPs"), security plan, site plan and environmental data form, staff determined that the approval of this Development Agreement and the related commercial cannabis uses pursuant to this Project meet the provisions of CEQA categorical exemptions.

**Evidence:** Pursuant to CEQA, the City Council finds and determines there is no substantial evidence that the Project could have a significant effect on the environment. The Project is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment (CEQA Guidelines 15061(b)(3)). The City Council in its independent judgment finds that there is no possible significant effect directly related to the Project because the Project consists of a small addition, expansion or alteration to an existing structure where there is negligible or no expansion of the use. The City Council finds that commercial cannabis uses will have similar impacts as the uses that have already been evaluated and are permitted by right in the applicable zone. The City Council finds that the Project will not cause any physical change in the environment, that the project is categorically exempt from CEQA under

Administrative Code, Title 14, Chapter 3, § 15301(a), Class 1, Existing Facilities, and therefore no further action is required under CEQA.

**SECTION 3: INCORPORATION, APPROVAL AND EXECUTION OF DEVELOPMENT AGREEMENT.** Based upon the findings outlined hereinabove, the City Council of the City of Commerce hereby approves a Development Agreement, and inclusive of exhibits thereof, [also identified as Commercial Cannabis Permit I.D. No. 18-017] between the City of Commerce and 2SBK, Inc. (a California corporation), incorporated herein by this reference, and authorizes the Mayor to execute the Development Agreement subject to final and technical revisions as required and approved by the City Attorney.

**SECTION 4: SEVERABILITY.** If any section, subsection, line, sentence, clause, phrase, word, part, provision, or portion of this Ordinance, or its application to any individual, entity, or circumstance, for any reason, is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance, and shall continue in full force and effect. To this end, any section, subsection, line, sentence, clause, phrase, word, part, provision, or portion of this Ordinance is severable. The City Council of the City of Commerce declares that this Ordinance would have been adopted by the City Council of the fact that any section, subsection, line, sentence, clause, phrase, word, part, provision, or portion thereof, might be declared to be invalid or unconstitutional.

**SECTION 5: EFFECTIVE DATE.** This Ordinance shall take effect on the thirty-first (31<sup>st</sup>) day after its adoption.

PASSED, APPROVED AND ADOPTED this \_\_\_\_ day of \_\_\_\_\_, 2019.

The Owner shall keep complete, accurate and appropriate books and records of all receipts from operations in accordance with generally accepted accounting principles. For purposes herein, "books and records" shall mean all bookkeeping or accounting documents Owner typically utilizes in managing its business operations relating to the Project. Such books and records, as well as all other relevant documents as the City Administrator may reasonably require, shall, upon reasonable written notice, be open for inspection by City, its auditors or other authorized representatives. If at any time during the term such books and records prove inadequate in the reasonable judgment of City to record the Gross Receipts from Operations as herein required, Owner shall, upon the written request of the City, procure and maintain such books and records as shall be of a character and from adequate for such purpose. City shall have the right to audit and examine such books, records and documents and other relevant items in the possession of Owner, on no less than an annual basis, or at any time upon reasonable request by the City, to the extent necessary for a proper determination of Gross Receipts from Operations, and all such books, records, documents and other items shall be held available for such audit and examination. City shall keep strictly confidential all statements of revenue furnished by Owner and all other information concerning Owner's operation of the Premises obtained by City as a result of the inspection audit and examination privileges of City hereunder, except as otherwise required by law. If City receives a request for such information pursuant to the Public Records Act (California Government Code Section 6250, et seq.), City shall provide Owner notice of any such request prior to disclosing any such information and afford Owner the opportunity to obtain a protective order. Within seven (7) years after the receipt of any statement of receipts under this Agreement, City at any time shall be entitled to carry out an audit of such revenue either by City or agent to be designated by City. If it shall be determined as a result of such audit that there has been a deficiency in any payment due under this Agreement made on the basis of such statement, then such deficiency shall become immediately due and payable within thirty (30) days of such determination.

In case any class of employee engaged in work on the Project is not protected under any workers' compensation law, Owner shall provide and shall cause each contractor and subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Owner hereby indemnifies City for any damage resulting from failure

of Owner, its agents, employees, contractors, or subcontractors to take out or maintain such insurance. Workers' compensation insurance with statutory limits and employer's liability insurance with limits of not less than One Million Dollars (\$1,000,000) each accident shall be maintained.

a. Termination Upon End of Term. This Agreement shall terminate upon the expiration of the term, unless it is terminated earlier pursuant to the terms of this Agreement. Upon termination of this Agreement, City shall record a notice of such termination and this Agreement shall be of no further force or effect except as otherwise set forth in this Agreement.

b. Effect of Termination on Owner's Obligations. Termination of this

Agreement shall eliminate any further obligation of Owner to comply with this Agreement, or some portion thereof, if such termination relates to only part of the Site or Project. Termination of this Agreement, in whole or in part, shall not, however, eliminate the rights of Owner to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

c. Effect of Termination on City's Obligations. Termination of this Agreement shall eliminate any further obligation of City to comply with this Agreement, or some portion thereof. Termination of this Agreement shall not, however, eliminate the rights of City to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

d. Survival After Termination. The rights and obligations of the Parties set forth in Article 16, Article 22, and Section 24(d), Section 24(e), and Section 24(g), and any right or obligation of the Parties in this Agreement which, by its express terms or nature and context is intended to survive termination of this Agreement, will survive any such termination.

### 13. Resources Efficiency

Owner shall endeavor to reduce its environmental impact when possible. The design of the facility shall include reasonable water and energy conservation measures in accordance with applicable State regulations.

#### 14. Standard Conditions for Construction

During any on-site construction activities related to development of the project site and any buildings thereon, or renovation or remodeling of existing buildings, Owner shall comply with all applicable terms and conditions of City's Standard Conditions for Construction. The Project shall comply with the applicable parking standards established by the City for cannabis activities.

## 15. Defaults and Remedies

a Remedies in general. It is acknowledged by the parties that City would not have entered into this Agreement if it were to be liable in damages under this Agreement, or with respect to this Agreement or the application thereof, except as hereinafter expressly provided. Subject to extensions of time by mutual consent in writing, failure to delay by either party to perform any term or provision of this Agreement beyond a reasonable notice and cure period shall constitute a default. In the event of alleged default or breach of any terms or conditions of this Agreement, the party alleging such default or breach shall give the other party not less than thirty (30) day notice in writing specifying the nature of the alleged default and the manner in which said default may be satisfactorily cured during any such thirty (30) day period, the party charged shall not be considered in default for purposes of termination or institution of

legal proceedings. Notwithstanding the foregoing to the contrary, if the alleged default is of such a nature that it cannot be cured within thirty (30) days, the alleged defaulting party shall not be deemed in default as long as such party commences to cure such default within such thirty (30) day period and thereafter diligently prosecutes such cure to completion.

After notice and expiration of the thirty (30) day period, the other party to this Agreement, at its option, may institute legal proceedings pursuant to this Agreement.

In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except that City shall not be liable in monetary damages, unless expressly provided for this Agreement, to Owner, to any mortgagee or lender, or to any successors in interest of Owner or mortgagee or lender, or to any other person, and Owner covenants on behalf of itself and all successors in interest to the Property or any portion thereof, not to sue for damages or claim any damages.

- 1) For any breach of this Agreement or for any cause of action which arises out of this Agreement; or
- 2) For the impairment or restriction of any right or interest conveyed or provided under, with, or pursuant to this Agreement, including, without limitation, any impairment or restriction which Owner characterizes as a regulatory taking or inverse condemnation; or
- 3) Arising out of or connected with any dispute, controversy or issue regarding the application or interpretation or effect of the provisions of this Agreement.

Nothing contained herein shall modify or abridge Owner's rights or remedies (including its rights for damages, if any) resulting from the exercise by City of its power of eminent domain. Nothing contained herein shall modify or abridge Owner's rights or remedies (including its rights for damages, if any) resulting from bad faith intentional acts, the grossly negligent or malicious acts of City and its officials, officers, agents and employees. Nothing herein shall modify or abridge any defenses or immunities available to City and its employees pursuant to the Government Liability Act and all other applicable statutes and decisional law.

Except as set forth in the preceding paragraph relating to eminent domain, Owner's remedies shall be limited to those set forth in this Section 15(a), Section 15(b), and Section 15(c).

Notwithstanding anything to the contrary contained herein, City covenants as provided in Civil Code Section 3300 not to sue for or claim any consequential

damages or, in the event all or a portion of the Property is not developed, for lost profits or revenues which would have accrued to City as a result of the development of the Property.

b. Specific Performance. The parties acknowledge that money damages and remedies at law are inadequate, and specific performance and other non-monetary relief are particularly appropriate remedies for the enforcement of this Agreement and should be available to all parties for the following reasons:

1) Except as provided in Sections 15(a) and 15(e), money damages are unavailable against City as provided in Section 15(a) above.

2) Due to the size, nature and scope of the Project, it may not be practical or possible to restore the Property to its natural condition once implementation of this Agreement has begun. After such implementation, Owner may be foreclosed from other choices it may have had to use the Property or portions thereof. Owner has invested significant time and resources and performed extensive planning and processing of the Project in agreeing to the terms of this Agreement and will be investing even more significant time and resources in implementing the Project in reliance upon the terms of this Agreement, and it is not possible to determine the sum of money which would adequately compensate Owner for such efforts; the parties acknowledge and agree that any injunctive relief may be ordered on an expedited, priority basis.

c. Release. Except for those remedies set forth in Sections 15(a), 15(b), and 15(c), Owner, for itself, its successors and assignees, hereby releases City, its officers, agents and employees from any and all claims, demands, actions, or suits of any kind or nature arising out of any liability, known or unknown, present or future, based or asserted, pursuant to Article 1, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, upon City because it entered into this Agreement or because of the terms of this Agreement.

Owner acknowledges that it may have suffered, or may suffer, damages and other injuries that are unknown to it, or unknowable to it, at the time of its execution of this Agreement. Such fact notwithstanding, Owner agrees that the release provided in this Section 15(c) shall apply to such unknown or unknowable claims and damages. Without limiting the generality of the foregoing, Owner acknowledges the provisions of California Civil Code Section 1542, which provide:

***“A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.”***

Owner hereby waives, to the maximum legal extent, the provisions of California Civil Code Section 1542 and all other statutes and judicial decisions of similar effect.

**Owners' Initials**

d. Termination of Agreement for Default of City. Owner may terminate this Agreement in the event of a default by City in the performance of a material term of this Agreement and only after providing written notice to City of default setting forth the nature of the default and the actions, if any, required by City to cure such default and, where the default can be cured, City has failed to take such actions and cure such default within sixty (60) days after the effective date of such notice or, in the event that such default cannot be cured within such sixty (60) day period but can be cured within a longer time, has failed to commence the actions necessary to cure such default within such sixty (60) day period and to diligently proceed to complete such actions and cure such default. Notwithstanding anything to the contrary, in the event that Owner deem it is necessary and/or advisable to cease operations in Commerce, then Owner may terminate this Agreement, and such termination shall be effective upon the date of written notice to the City.

e. Attorneys' Fees and Costs. In any action or proceeding between City and Owner brought to interpret or enforce this Agreement, or which in any way arises out of the existence of this Agreement or is based upon any term or provision contained herein, the "prevailing party" in such action or proceeding shall be entitled to recover from the non-prevailing party, in addition to all other relief to which the prevailing party may be entitled pursuant to this Agreement, the prevailing party's reasonable attorneys' fees and litigation costs, in an amount to be determined by the court. The prevailing party shall be determined by the court in accordance with California Code of Civil Procedure Section 1032. Fees and costs recoverable pursuant to this Section 15(e) include those incurred during any appeal from an underlying judgment and in the enforcement of any judgment rendered in any such action or proceeding.

f. Owner Default. No building permit shall be issued or building permit application accepted for any structure on the Property after Owner is determined by City to be in default of the terms and conditions of this Agreement until such default thereafter is cured by Owner or is waived by City. If City terminates this Agreement because of Owner's default, then City shall retain any and all benefits, including money or land received by City hereunder.

16. Third Party Litigation

a. General Plan Litigation. City has determined that this Agreement is consistent with its General Plan. Owner has reviewed the General Plan and

City shall have no liability under this Agreement or otherwise for any failure of City to perform under this Agreement, or for the inability of Owner to develop the Property as contemplated by the **Agreement**, which failure to perform or inability to develop is as the result of a judicial determination that the General Plan, or portions thereof, are invalid or inadequate or not in compliance with law, or that this Agreement or any of City's actions in adopting it were invalid, inadequate, or not in compliance with the law.

c. Indemnification. Owner shall defend, indemnify, and hold harmless City and its elective and appointive boards, commissions, officers, agents, attorney's, contractors, consultants and employees against and from any and all liabilities, demands, claims, actions or proceedings and costs and expenses incidental thereto (including costs of defense, settlement and reasonable attorneys' fees), which any or all of them may suffer, incur, be responsible for or pay out as a result of or in connection with any challenge to the legality, validity or adequacy of any of the following: (i) this Agreement and the concurrent and subsequent permits, licenses and entitlements approved for the Project or Property; (ii) the environmental impact report, mitigated negative declaration or negative declaration, as the case may be, prepared in connection with the development of the Property; (iii) any claims based on or alleging inverse condemnation by any person or entity with an interest in the Property; and (iv) the proceedings undertaken in connection with the adoption or approval of any of the above. In the event of any legal or equitable action or other proceeding instituted by any third party (including a governmental entity or official) challenging the validity of any provision of this Agreement or any portion thereof as set forth herein, the parties shall mutually cooperate with each other in defense of said action or proceeding. Notwithstanding the above, City, at its sole option, may tender the complete defense of any third-party challenge as

described herein. In the event City elects to contract with special counsel to provide for such a defense, City shall meet and confer with Owner regarding the selection of counsel, and Owner shall pay all costs related to retention of such counsel.

d. Environmental Contamination. Owner shall indemnify and hold City, its elective and appointive boards, commissions, officers, agents, attorney's, contractors, consultants and employees free and harmless from any liability, based or asserted, upon any act or omission of Owner, its officers, agents, employees, subcontractors, predecessors in interest, successors, assigns and independent contractors, excepting and acts or omissions of City as successor to any portions of the Property dedicated or transferred to City by Owner, for any violation of any federal, state or local law, ordinance or regulation relating to industrial hygiene or to environmental conditions on, under or about the Property, including, but not limited to, soil and groundwater conditions, and Owner shall defend, at its expense, including attorneys' fees, City, its officers, agents and employees in any action based or asserted upon any such alleged act or omission. City may in its discretion participate in the defense of any such claim, action or proceeding.

The provisions of this Section 16(d) do not apply to environmental conditions that predate Owner's ownership or control of the Property or applicable portion; provided, however, that the foregoing limitation shall not operate to bar, limit or modify any of Owner's statutory or equitable obligations as an owner or seller of the Property.

e. City to Approve Counsel. With respect to Sections 16(a) through 16(d), City reserves the right to approve the attorney(s) which Owner selects, hires or otherwise engages to defend City hereunder, which approval shall not be unreasonably withheld.

f. Accept Reasonable Good Faith Settlement. With respect to Article 16, City shall not reject any reasonable good faith settlement. If City does reject a reasonable, good faith settlement that is acceptable to Owner, Owner may enter into a settlement of the action, as it relates to Owner, and City shall thereafter defend such action (including appeals) at its own cost and be solely responsible for any judgment rendered in connection with such action. This Section 16(f) applies exclusively to settlements pertaining to monetary damages or damages which are remedial by the payment of monetary compensation. Owner and City expressly agree that this Section 16(f) does not apply to any settlement that requires an exercise of City's police powers, limits City's exercise of its police powers, or affects the conduct of City's municipal operations.

g. Survival. The provisions of Sections 16(a) through 16(f) inclusive, shall survive the termination or expiration of the Agreement.

17. California Environmental Quality Act

Owner shall reimburse City for any and all costs incurred by City related to project review under the California Environmental Quality Act (CEQA), Public Resources Code, §§21000-21189.3, and the Guidelines for California Environmental Quality Act, California Code of Regulations, Title 14, §§15000-15387. If reasonably requested by City, Owner shall conduct and pay for any required CEQA reviews and analyses. The City has found that the proposed Project is Categorically Exempt from California Environmental Quality Act (CEQA) requirements under provisions of CEQA Guidelines **Section 15301** – Existing Facilities. This exemption applies to projects characterized as alterations to existing facilities meeting the conditions described in **Section 15301**.

18. Rules, Regulations, and Official Policies

Except as otherwise provided in this Agreement, the rules, regulations, and official policies of City governing permitted uses of the land, governing density, and governing the design, improvements, and construction standards and specifications applicable to the development of the Project subject of this Agreement, shall be those rules, regulations, and official policies of City in force at the time of the execution of this Agreement. This Agreement does not prevent City, in subsequent actions applicable to the property, from applying new rules, regulations, and policies which do not conflict with those rules, regulations, and policies applicable to the property as set forth herein, nor does this Agreement prevent City from denying or conditionally approving any subsequent development project application based on such existing or new rules, regulations, or policies.

19. Commercial Cannabis Permit Conditions of Approval

Owner shall comply with all conditions of approval of the City-issued Commercial Cannabis Permit.

20. Periodic Reviews

This Agreement shall be subject to annual review. Owner and Landlord executing this Agreement, or successor in interest thereto, shall demonstrate good faith compliance with the terms of this Agreement. If, as a result of such periodic review, City finds and determines, based on substantial evidence, that Owner or Landlord executing this Agreement, or successor in interest thereto, has not complied in good faith with the terms or conditions of this Agreement, City may terminate or modify this Agreement (except no modification shall increase Owner's liability nor reduce Owner's rights), provided that City shall first provide Owner notice of its intent to terminate, with a detailed explanation as to why, and provide Owner the reasonable right to cure the same.

- a. Periodic Review. City Council shall review this Agreement annually, on or before each anniversary of the Effective Date, in order to ascertain Owner's good faith compliance with this Agreement. During the periodic review Owner

relied upon by assignees or other transferees or Owner.

f. Failure to Conduct Review. City's failure to conduct a periodic review of this Agreement shall not constitute a breach of this Agreement.

g. Cost of Review. The costs incurred by City in connection with the periodic reviews shall be borne by Owner.

## 21. Assignment

Assignment by Owner. Owner shall not transfer, delegate, sublet or assign its interest, rights, duties, and obligations under this Agreement without the prior written consent of City, which consent shall not be unreasonably withheld. Owner shall submit a transfer application to the City Administrator or City Administrator's designee and pay any applicable transfer fee. The proposed transferee must show proof of lawful transfer of possession of the applicable location as may be acceptable to the City. Owner is aware it may take the City approximately six (6) months to process a transfer application.

Any assignment, delegation, subletting or assignment without the prior written consent of City shall be null and void. Any transfer, delegation, subletting or assignment by Owner as authorized herein shall be effective only if and upon the party to whom such transfer, delegation, subletting or assignment is made is issued a Commercial Cannabis Permit as required under Sections 5.61.150 and 5.61.170 of the Commerce Municipal Code.

Owner shall also comply with all proposed assignments and changes, including assignment and changes impacting a Development Agreement or a Commercial Cannabis Permit, as required pursuant state law, City Resolution No. 18-50 regulating amendments to Development Agreements, and Ordinance No. 700, including Sections 5.61.150 through 5.61.210 thereof.

## 22. Operating Commercial Cannabis Facility

Any party to this Agreement, or successor in interest thereto, shall not operate a commercial cannabis facility authorized under the municipal code unless:

a. It is the holder of a valid Commercial Cannabis Permit issued by City in accordance with the procedures and requirements of Ordinance No. 700; and,

b. At such time as the State of California requires commercial cannabis facilities and businesses to hold a valid license or permit issued by the State of California, it also holds such license or permit, unless, however, such permit or license is not required by the State of California for the type of commercial cannabis facility or business operation that is the subject of this Agreement.

23. Notice

Any notice or communication required hereunder between City and Owner must be in writing, and may be given either personally, by registered or certified mail (return receipt requested), or by Federal Express, UPS or other similar couriers providing overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. If given by registered or certified mail, such notice or communication shall be deemed to have been given and received on the first to occur of (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent, or (ii) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If given by Federal Express or similar courier, a notice or communication shall be deemed to have been given and received on the date delivered, as shown on a receipt issued by the courier. Any Party hereto may at any time, by giving ten (10) days written notice to the other Party hereto, designate any other address in substitution of the address to which such notice or communication shall be given. Such notices or communications shall be given to the Parties at their addresses set forth below:

24. Miscellaneous Provisions

a Amendment or Cancellation. This Agreement may be amended, or canceled in whole or in part, only by the written mutual consent of the parties to this Agreement or their successors in interest, except that minor amendments that do not affect a substantive provision of this Agreement may be approved by the City Administrator on behalf of the City. The decision whether a proposed amendment is "minor" shall be in the exclusive discretion of the City

Administrator, and consistent with Sections 5.61.150 through 5.61.210 of Ordinance No. 700.

b. Waiver. Waiver by City of any one or more of the terms or conditions of this Agreement shall not be construed as waiver of any other term or condition under this Agreement.

c. Enforcement/Reserved Powers. Unless amended or canceled pursuant hereto, this Agreement shall be enforceable by any party hereto, or successor in interest thereto, notwithstanding any subsequent change in any applicable general or specific plan, zoning, subdivision or building regulation, or municipal code amendment adopted by City that conflicts with the terms of this Agreement. However, this Agreement is subject to the City's "Reserved Powers." For purposes of this Agreement, "Reserved Powers" means the rights and authority excepted from this Agreement's restrictions on the City's police powers and which are instead reserved to the City. The Reserved Powers include the powers to enact regulations or take future discretionary actions after the Effective Date of this Agreement that: (1) are necessary to protect the public health and safety, and are generally applicable on a City-wide basis (except in the event of natural disasters as found by the City Council such as floods, earthquakes and similar acts of God); (2) are amendments to California Marijuana Laws or California Uniform Codes, as adopted by the City of Commerce, and/or the Commerce Municipal Code, as applicable, regarding the construction, engineering and design standards for private and public improvements to be constructed on the Site; (3) are necessary to comply with state or federal laws and regulations; or (4) involve sign and parking ordinances and guidelines, changes to the City's zoning laws, Specific Plan or the City's General Plan, whether adopted previous or subsequent to the Effective Date of this Agreement).

If any City ordinance, rule or regulation or addition to the Commerce Municipal Code is enacted or imposed by a citizen-sponsored initiative or referendum after the Effective Date that would conflict with this Agreement or an associated Commercial Cannabis Permit, business license or other authorizations and City approvals, or reduce development rights or assurances provided to the Owner in this Agreement, then such changes, additions or deletions to the Commerce Municipal Code shall not be applied to the Site or Project; provided, however, the parties acknowledge that the City's approval of this Agreement is a legislative action subject to referendum. The parties shall cooperate with each other and undertake such reasonable actions as may be appropriate to ensure this Agreement remains in full force and effect and is implemented in accordance with its terms and to the fullest extent permitted by state or federal law.

Notwithstanding anything to the contrary in this Agreement, site improvements contemplated by this Agreement shall be completed pursuant

to the development standards and design guidelines to be adopted by the zoning code amendment.

d. Joint and Several Liability. Owner shall be jointly and severally liable for any amount due under this Agreement, and any breach of this Agreement or failure to pay by one Party shall also constitute a breach of this Agreement by the other Party.

e. Severability. If any part of this Agreement is found to conflict with applicable state laws or regulations, such part shall be inoperative, null, and void insofar as it conflicts with said laws or regulations, or modified or suspended as may be necessary to comply with such state laws or regulations, but the remainder of this Agreement shall continue to be in full force and effect.

f. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The execution of this Agreement may be by actual, facsimile, or electronic signature.

g. Jurisdiction. The law governing this Agreement shall be that of the State of California. Any suit brought by any party against any other party arising out of the performance of this Agreement or the breach, termination, enforcement, interpretation or validity thereof, shall be filed and maintained in the County of Los Angeles Superior Court.

h. Disclaimer. Despite California's commercial cannabis laws and the terms and conditions of this Agreement, any Conditional Use Permit, or any Commercial Cannabis Permit issued pertaining to Owner or the property specified herein, California commercial cannabis cultivators, transporters, distributors, or possessors may still be subject to arrest by state or federal officers and prosecuted under state or federal law. The Federal Controlled Substances Act, 21 USC § 801, prohibits the manufacture, distribution, and possession of cannabis without any exemptions for medical use.

i. Force Majeure. If delays are caused by unforeseen events beyond the control of Owner, such delays will entitle Owner to an extension of time as provided in this section. Such unforeseen events ("Force Majeure") shall mean war, insurrection, acts of God, local, state or national emergencies, strikes and other labor difficulties beyond the party's control, or any default by City hereunder, which Force Majeure event substantially interferes with the development, construction or operation of the Project.

j. Costs and Fees. Intentionally omitted.

k. Constructive Notice and Acceptance. Every person who after the Effective Date and recording of this Agreement owns or acquires any right, title,

standards and specifications applicable to the Development of the Property.

o. Conflicting Federal or State Rules. In the event that any conflicting federal or state laws or regulations, enacted after the Effective Date, prevent or preclude compliance with one or more provisions of this Agreement or require changes in plans, maps or permits approved by the City, *this Agreement shall remain in full force and effect as to those provisions not affected*; and

(i) Notice of Conflict. Either party, upon learning of any such matter, will provide the other party with written notice thereof and provide a copy of any such law, regulation or policy together with a statement of how any such matter conflicts with the provisions of this Agreement; and

(ii) Modification Conferences. The parties shall, within thirty (30) days of the notice referenced to in the preceding subsection, meet and confer in good faith and attempt to modify this Agreement to bring it into compliance with any such federal or state law or regulation.

(iii) City Council Hearings. In the event the City believes that an amendment to this Agreement is necessary due to the effect of any federal or state law or regulation, the proposed amendment shall be scheduled for hearing before the City Council. The City Council shall determine the exact nature of the amendment necessitated by such federal or state law or regulation. Owner shall have the right to offer oral and written testimony at the hearing. Any modification ordered by the City Council pursuant to such hearing is subject to judicial review in accordance with California law.

(iv) City Cooperation. The City shall cooperate with Owner in securing any City permits, licenses or other authorizations that may be required as a result of any amendment resulting from actions initiated by the City. As required by this Agreement, Owner shall be responsible to pay all applicable fees in connection with securing of such permits, licenses or other authorizations.

p. Effective Date. "Effective Date" means the date on which all of the following are true: (i) thirty (30) days have elapsed since the second reading of the Ordinance adopting and approving this Development Agreement and (ii) all Exhibits to this Agreement are finalized, executed and notarized by all affected parties (if applicable) and attached hereto; provided, however, that if these conditions have not been fully satisfied by the Owner the Effective Date may not thereafter occur and this Agreement may not thereafter become effective.

q. Authority to Sign. Each Party or responsible officer or governing body therefore, has read this Agreement and understands and knows the contents thereof, and represents and warrants that each of the officers or agents executing this Agreement on behalf of their respective corporations,

**IN WITNESS WHEREOF**, the parties hereto have executed this Agreement on the day and year first above written.
