

## SCOPE OF WORK / QUOTATION / REVISED

Date: 5/9/19

To: City of Commerce  
Attn: Frank Garcia  
Project: Veterans Park Gym  
RFP: Indoor Gym Divider Curtain

We are pleased to submit this quotation covering the indoor athletic equipment on the gymnasium main floor level for the above project.

**Scope:** Furnish and install indoor athletic equipment by Draper. Quantities and equipment is as follows:

- 1ea Roll Up Curtain 55' long x 25' high, Direct Connection to Beam, No Interference  
Operated by Wireless Remote / Receiver  
All required structure for proper attachment by structural contractor  
Install with floor protection with scissor lift

***TOTAL COST FURNISHED & INSTALLED .....\$20,200.00***

### ***Quote Clarifications:***

1. Liquidated Damages are not included
2. Final electrical hookups both high voltage and low voltage are by others.
3. Load calculations are NOT included with all formal CFS submittals. If calculations need to be stamped by a licensed engineer in the state of CA there will be added costs of approx \$1600
4. All required backing in walls to be by others
5. All unloading and placement of material in gym, and disposal of debris and trash by CFS

### ***Notes:***

- Installation of curtain to bottom of exposed trusses and purlins without interference from lighting, ductwork or electrical conduit at standard attachment points as depicted by CFS Engineers.
- Work to be performed on tile floor with floor protection and scissor lift during standard work hours.
- Quote Valid for **90** days from above date.
- Above cost is based on one shipment of all materials.
- Please add 2% to the total above if a Performance & Payment Bond is required.
- Please add \$500.00 to the above total if a Waiver of Subrogation is required.
- Any special insurance endorsements as required by contract will be provided at additional charge.

Terms: Standard CFS payment terms are **Net 30 days** with approved credit application.  
Warranty: Standard 1 year on all items  
Delivery: Shop drawings 2-4 weeks ARO. Delivery is 6+ weeks after approvals and field check.  
Labor: Prevailing Wages included.
