

CITY OF COMMERCE AGENDA REPORT

TO: Measure AA Committee **Item No.** _____

FROM: City Manager

SUBJECT: Allocate \$160,000 of Measure AA Funds to Fabricate and Install “NO OVERNIGHT PARKING” and “NO VEHICLE DWELLING” Signs along Selected Streets throughout the City

MEETING DATE: September 10, 2019

RECOMMENDATION:

Allocate \$160,000 of Measure AA funds in order to fabricate and install “NO OVERNIGHT PARKING” and “NO VEHICLE DWELLING” signs along selected streets throughout the City.

BACKGROUND & ANALYSIS:

The City Council approved a resolution during its re-scheduled meeting on August 5, 2019 to install “NO OVERNIGHT PARKING” and “NO DWELLING” signs throughout the City in order to reduce the instances of vehicles parking along city streets for an extended period of time, either for habitation or for any other reason (*see Attachment 1*).

On July 3, 2018, the City Council passed Resolution No. 18-94, approving the proposed “NO OVERNIGHT PARKING” sign installations along several streets in the City of Commerce, in order to eliminate public safety issues due to excessive overnight parking.

Subsequent to the passage of Resolution No. 18-94, City staff installed these signs along the enumerated streets. As a result, many of these vehicles have now migrated to other streets in the City that do not have these signs and are now causing disruptions to nearby businesses and residents. Therefore, Staff identified additional selected streets in the City of Commerce experiencing an increased number of vehicles parking for an excessive period of time, and thereby creating additional public safety and public nuisance concerns.

The “NO OVERNIGHT PARKING” signs will be placed above the “NO DWELLING” signs (*see Attachment 2*). The amount for these extra signs is \$160,000, including material, parts, labor for installation, and also for contingencies.

FISCAL IMPACT:

The allocation of \$160,000 will be added to project account no. 43-5170-52001.14648 in order to defray the costs of fabricating and installing the additional requested "NO OVERNIGHT PARKING" and "NO DWELLING" signs.

RELATIONSHIP TO STRATEGIC GOALS:

This item relates to Council's 2016 Strategic Action Plan's:

Community Quality of Life

- Guiding Principle 4 to "support and evaluate community services, programs and events that promote healthy and quality lifestyles for our residents. Enhance public safety and social services through innovative programs that meet the needs of the residential and business communities."

Approved by: Vilko Domic, Acting Public Works & Development Services Director

Fiscal Impact reviewed by: Vilko Domic, Director of Finance

Approved as to form by: Noel Tapia, City Attorney

Respectfully submitted: Edgar P. Cisneros, City Manager
