RECITALS

WHEREAS, CONTRACTOR and CITY desire to enter into a contract to formalize their relationship; and

WHEREAS, pursuant to Title I of the Housing and Community Development Act of 1974, the Los Angeles County Development Authority (LACDA), formerly known as the Los Angeles Community Development Commission (LACDC), is authorized by the federal Department of Housing and Urban Development (HUD) to provide Community Development Block Grant Program funds ("CDBG funds") to units of local government selected to undertake and carry out certain programs and projects under the Los Angeles Community Development Block Grant Program in compliance with all applicable local, state, and federal laws, regulations and policies; and

WHEREAS, CITY, as part of its CDBG grant agreement with LACDA, has been awarded CDBG funds for the purposes set forth herein; and

WHEREAS, the Scope of Work included in this contract is authorized as part of the CITY approved CDBG project.

NOW, THEREFORE, in consideration of the mutual promises, covenants and provisions contained herein, and the mutual benefits to be derived therefrom, the parties hereto agree as follows.

AGREEMENT

A. Scope of Work and Compensation

CONTRACTOR agrees to commence and complete the work identified in the Scope of Work set forth in Exhibit 1 (the "Work"), which is attached hereto and incorporated herein by reference, for the Contract Price not to exceed **\$9,000.00 (Nine Thousand Dollars)**. The Work is to be completed for the eligible residence located in the City of Commerce. CONTRACTOR shall perform the Work in compliance with CITY's General Conditions, which are attached hereto as Exhibit 2 and incorporated herein by reference. CONTRACTOR shall furnish all permits, labor, materials and supplies necessary to complete the Work in accordance with all plans and specifications. CONTRACTOR hereby agrees to commence the Work as requested by the City.

CONTRACTOR agrees to complete all Work described in Exhibit 1 by June 30, 2021.

CITY agrees to pay CONTRACTOR, within a reasonable amount of time following receipt of an invoice, accompanied by a Material/Labor Lien release form and final permit (if applicable) from CONTRACTOR. CONTRACTOR may submit a final payment

invoice along with a Material/Labor release form and a final permit (if applicable) for payment no later than 10 days after all work has been completed.

B. Notice to Proceed

CONTRACTOR will receive a Notice to Proceed for the approved Scope of Work after all plans (if necessary) have been reviewed and approved by the CITY's Planning and Building Departments and CONTRACTOR has received all necessary permits. CONTRACTOR must provide the CITY with a copy of such final permits and approved plans in order to receive the Notice to Proceed. CONTRACTOR agrees to complete the Work by no later than thirty (30) calendar days from the execution of this Agreement.

It is understood that this contract is funded in whole or in part with CDBG funds through the Los Angeles County Community Development Block Grant Program as administered by LACDA and is subject to those regulations and restrictions normally associated with federally-funded programs and any other requirements that the state may prescribe.

C. Records

CONTRACTOR agrees to maintain such records and follow such procedures as may be required under the state's CDBG Program and any such procedures as the City of Commerce or LACDA may prescribe. In general, such records will include information pertaining to the contract, obligations and unobligated balances, assets and liabilities, outlays, equal opportunity, labor standards (as appropriate), and performance.

CONTRACTOR shall keep all records of funds received from the CITY and make them accessible for audit or examination for a period of five (5) years after final payments are issued and other pending matters are closed. (24 CFR Part 84, Sec. 84.53)

CITY, LACDA and other authorized representatives of the state and federal government shall have access to any books, documents, papers and records of the consultant which are directly pertinent to the contract for the purpose of making audit, examination, excerpts, and transcriptions.

D. Termination

This contract may be terminated by mutual consent of the parties or by either party upon thirty (30) days written notice and delivered by certified mail or in person. (24 CFR Part 84, Sec. 84.60)

E. Liquidated Damages

If CONTRACTOR fails to complete the Work by the Completion Date specified in the written "Notice to Proceed," CONTRACTOR shall pay HOMEOWNER liquidated damages which will be assessed and deducted from the amount owed to

CONTRACTOR. The liquidated damages will begin on the fifth calendar day after the Completion Date, at the rate of One Hundred Dollars and 00/100 (\$100.00) per week or any portion thereof, until the Work is completed. The term "complete" shall mean the completion of all line items in the Scope of Work and receipt of final signature from the CITY Building Inspector. The parties acknowledge that the delay in completing the Work will have a substantial detrimental impact on the HOMEOWNER and that it is not possible to precisely fix the damages HOMEOWNER will incur. The liquidated damages specified by this section are a reasonable estimate of those damages and do not represent a penalty.

CONTRACTOR agrees that if HOMEOWNER has any complaints about the Work during the 12 month period after completion of the Work (date Notice of Completion is recorded and/or final inspection date of the property), HOMEOWNER is to contact CONTRACTOR who shall correct such items that have been inadequately completed as specified within the Scope of Work. **CITY should only be contacted if CONTRACTOR fails to make the necessary correction(s) within a reasonable time.** CITY shall not be required to correct the Work deficiencies or to fulfill CONTRACTOR's obligations.

F. Independent Contractor

CONTRACTOR is and shall perform its services under this agreement as a wholly independent contractor. CONTRACTOR shall not act nor be deemed an agent, employee, officer or legal representative of HOMEOWNER or CITY. This agreement is not intended to and does not create the relationship of partnership, joint venture or association between HOMEOWNER and CONTRACTOR or CITY and CONTRACTOR.

G. CONTRACTOR to Provide Required Personnel; Subcontracting

CONTRACTOR shall provide and direct the necessary qualified personnel to perform the Work required of and from it pursuant to the express and implied terms hereof, with the degree of skill and judgment normally exercised by recognized professional firms performing work of a similar nature at the time the Work is completed. CONTRACTOR may not have a subcontractor perform any services required under this agreement unless the subcontractor is first approved and authorized to perform such Work under Exhibit 1.

H. Licenses

CONTRACTOR warrants that it and its employees have obtained all valid licenses and/or certifications generally required of professionals performing the Work such as all applicable regulating governmental agencies and are in good standing with such applicable regulating governmental agencies.

I. Conflict of Interest

CONTRACTOR agrees that any conflict or potential conflict of interest shall be fully disclosed prior to execution of contract and that CONTRACTOR shall comply with all

(2) The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of HUD set forth in 24 CFR 135, and all applicable rules and orders of HUD and LACDA issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability that would prevent them from complying with these provisions.

- (4) CONTRACTOR will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant, or recipient of federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of HUD, 24 CFR Part 135. CONTRACTOR will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract, unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
- (5) Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of HUD and LACDA issued hereunder prior to the execution of the contract, shall be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the applicant, or recipient, its contractors and subcontractors, its successors and assigned to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135.

CONTRACTOR shall not be liable to the extent that any liability, loss, damage, cost, and expense is caused solely from an act of negligence or willful misconduct by HOMEOWNER or CITY, or their respective officials, officers, employees or agents. Upon demand, CONTRACTOR shall promptly provide a defense to such claims, actions or right of action (at law or equity) and shall

promptly pay for all associated and resulting costs, damages, settlements, penalties, judgments, fees and expenses, including attorneys' fees and costs.
